9. PLANNED TRANSBORDER FLOWS OF PERSONAL INFORMATION

The Company stores electronic information, including personal information of data subjects, in the 'cloud', the servers of which may be located outside of the borders of the Republic of South Africa ("RSA"). Due care is taken in the selection of appropriate cloud service providers to ensure compliance with the Protection of Personal Information Act ("POPIA") and protect the privacy of data subjects. The Company is not planning to send any other personal information about any data subject to any other third party in a foreign country. Should this be required, relevant data subject consent will be obtained, where possible, and transfers of such information will occur in accordance with the requirements of the law.

10. SECURITY MEASURES TO PROTECT PERSONAL INFORMATION

The Company is committed to ensuring the security of the personal information in its possession or under its control in order to protect it from unauthorised processing and access as well as loss, damage or unauthorised destruction. It continually reviews and updates its information protection measures to ensure the security, integrity and confidentiality of this information in accordance with industry best practices. The measures it adopts to ensure the security of personal information, includes technical and organisational measures and internal policies to prevent unauthorised access, loss or use of personal information, for example, the physical securing of the offices where information is held; locking of cabinets with physical records; password control to access electronic records; server access control; and off-site data back-ups. In addition, only those practitioners and employees that require access to the information to treat patients and discharge their functions are permitted access to the relevant information and only if they have concluded agreements with or provided undertakings to the practice requiring them to implement appropriate security measures and to maintain the

confidentiality of the information. Contractors are required to adhere to the strict policies and processes implemented by the practice and are subject to sanctions for any security breach. All security breaches are taken seriously and are addressed in accordance with the law.

11. PROCEDURE TO OBTAIN ACCESS TO RECORDS OR INFORMATION

The fact that information and records are held by the Company as listed in this Manual should not be construed as conferring upon any requester any right to that information or record. PAIA grants a requester access to records of a private body, if the record is required for the exercise or protection of any right. If a public body lodges a request, the public body must be acting in the public interest. Access to records and information is not automatic. Any person, who would like to request access to any of the above records or information, is required to complete a request form, which is attached to this Manual as **Annexure A**, and pay the prescribed fees as referenced below. The request form is also available from -

- the Information Officer of the Company at the contact details stipulated above; and
- the Information Regulator at the contact details stipulated above.

The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record and the requester. The requester must identify the right he/she is seeking to exercise or protect and explain why the record requested is required for the exercise or protection of that right. If a request is made on behalf of another person, the requester must submit proof of the capacity in which the request is made to the satisfaction of the Information Officer. Access to the requested records or information or parts of the records or information may be refused in terms of the law. Requesters will be advised of the outcome of their requests.

12. FEES PAYABLE TO OBTAIN THE REQUESTED RECORDS OR INFORMATION

The fees for requesting and accessing information and records held by the practice are prescribed in terms of PAIA. The fees payable, which may be amended from time to time in accordance with notices published in the Government Gazette, are attached hereto as **Annexure B**. Details of the fees payable and any change to such fees may be obtained from the Information Officer. The fees are also available on the website of the Information Regulator. A requester may be required to pay the fees prescribed for searching and compiling the information, which has been requested, including copying charges.

13. AVAILABILITY OF THIS MANUAL

A copy of this Manual is available for inspection, free of charge, at the Company and on its website. A copy of the Manual may also be requested from the Information Officer against payment of the appropriate fee, which may be obtained from the Information Officer.
